

The Kauai United Hongwanji Buddhist Women's Association held its annual Fall Conference on October 22, 2017 at West Kauai Hongwanji Mission in Hanapepe. The day began with a wonderful service where Rev. Tomo Hojo delivered a humorous and inspirational Dharma message. A general membership meeting followed including the election and installation of 2018 officers. Representing AARP, Janice Bond spoke on the topic of Fraud Awareness. An on-licious luncheon followed. To end the day, Fay and Laurie Tateishi demonstrated how to make Okoshi, and gave everyone a bag to take home. What a full and educational day of fun and fellowship we had!
